Moved by: Councillor Cuthbertson

Seconded by: Councillor Hill

That, a public meeting having been held with respect to the application by Victoria and Garry Shipston, the property owners, relative to property with municipal address 121 Boundary Drive East, and legally described as

Concession 1, Part E ½ NE ¼ Lot 8, within geographic Blake Township, Municipality of Neebing, in the District of Thunder Bay, Committee of the Whole recommends:

THAT the consent requested in Application B03-2024, as submitted by the owners to sever one lot from their property, be approved, subject to the following conditions:

- a) A survey is finalized and registered;
- b) A driveway entrance for the severed lot is approved by the Roads Foreman.
- c) Satisfactory approval from the Thunder Bay District Health Unit relating to adequacy of the severed lots for septic services is obtained;
- d) If it is not already in Municipal Ownership, that portion of Boundary Drive that is adjacent to the Severed Lots is transferred to the Municipality, free of encumbrances, and at no cost to the Municipality; and
- e) Conveyance of the road allowance and the lots must occur within twenty-four (24) months of the date that this decision becomes final and binding.

Because it is important, in the event of an appeal, that Council clearly state its reasoning for the approval of the application, the Committee of the Whole further recommends that Council adopt the following as the reasons for approval of the application, being:

- Overall, the Committee is satisfied that the application represents “good planning”;
- The proposed locations for the severed and retained lots will not result in negative impacts to any nearby residential property owners;
- The severed lot represents “infill” development on Sturgeon Bay Road; and
- The application does not impose any additional service requirements on the Municipality.
